Dear Taxpayer,

There was an error in calculating the tax rate on the tax bills that were sent on Tuesday May 24th, 2022. The rate & amount due is incorrect. New tax bills will be mailed out May 31st, 2022. Please disregard the first bill & pay the amount shown on the 2<sup>nd</sup> bill. If you have already mailed your payment it will be returned to you. Sorry for any inconvenience this may cause.

Respectfully,

Samantha Brewer
